

Canadian Association of Technical Accident Investigators and Reconstructionists  
*Ontario Region*

## *Crash Data Retrieval Course.*

This is a combination of two courses. The first is a one day technician course and the second is a four day analyst course. These are being taught through the Collision Safety Institute, the manufacturer's only recognized trainer. Participants can take either or a combination of courses suited to their needs.

**NOTE:** Completion of the CDR Technician Course is an absolute, required prerequisite for attendance at the CDR Data Analyst Certification course. Those who have attended a CDR Operator's Certification course prior to January 2008 will NOT have completed the equivalent of the Technician Level course and do not meet the prerequisite for the Data Analyst's Certification course.

The Technician course date is Monday March 22<sup>nd</sup> 2010.

The Analyst course date is Tuesday March 23<sup>rd</sup>, to Friday March 26<sup>th</sup>, 2010.

Both courses will be held at the Toronto Police Service College located at 70 Birmingham Street, Toronto, Ontario M8V 3W6. Accommodations and meals are not included in the course and is the responsibility of each participant to arrange.

Successful completion of both courses qualifies for 32 ACTAR CEU's, processed through CATAIR
